Re: RFA/RFI Outline
Calverton ANG ID No. 152136

Dear Mr. Colter:

The New York State Department of Environmental Conservation (NYSDEC) has received the proposed outlines for the RFA and RFI reports and finds them acceptable. I have included with this letter some guidance documents prepared by the NYSDEC Division of Fish and Wildlife for use in preparing these documents.

I will be leaving this job at the end of September. Marsden Chen will be your contact until he can hire a replacement. If you have any questions, please contact him at (518) 457-3976.

Sincerely,

David G. Pratt
