Dear Jeff:

Subj: Draft-Final Record of Decision (ROD) for Operable Unit (OU) 2 -  
Soils and Groundwater at Installation Restoration (IR) Site 7 -  
Fuel Depot Area; Naval Weapons Industrial Reserve Plant (NWIRP)  
Calverton, New York; EPA ID # NYD003995198

The Navy is forwarding three (3) copies of the subject Draft-Final ROD for OU 2 for your review. This latest version of the OU 2 ROD incorporates changes that were requested by NYSDEC during a recent teleconference.

If this version of the ROD is satisfactory to NYSDEC, the Navy would like to request that a concurrence letter be forwarded to the Navy. Upon receipt of that letter, the Navy will forward the ROD to the Naval Air Systems Command for signature and then make full distribution of the Final ROD to the remainder of NWIRP Calverton's regulatory and RAB communities.

If you have any questions, please give me a call at (610) 595-0567, extension 163.

Sincerely,
