Subject: Confirmatory Sampling Plan
Site 67 Engineer's TNT Burn Site
Contract No. N62470-08-D-1000 CTO-040

Dear Mr. Beck:

CH2M HILL is pleased to submit the Final Confirmatory Sampling Plan for the Site 67 Engineer's TNT Burn Site at MCB Camp Lejeune, North Carolina. This final document is being submitted in hard copy and electronically as a pdf file, per your request. Hard copies and/or electronic copies have also been distributed to Mr. Bob Lowder (MCB Camp Lejeune EMD), Mr. David Cleland (NAVFAC Mid-Atlantic), Ms. Marti Morgan (NC DENR), and Ms. Gena Townsend (USEPA-Region 4).

Regulatory comments received during the February 2010 Partnering Meeting regarding this work have been incorporated into the sampling plan. These include the addition of surface soil samples and the collection of subsurface composite samples with discrete sampling of stained soil.

If you have any questions or comments, please contact me at (678) 530-4226.

Sincerely,

CH2M HILL
