Subj: FREEDOM OF INFORMATION ACT (FOIA) REQUEST

Encl: (1) Gilbert Grant's ltr of 29 Nov 89

1. The enclosure is forwarded for appropriate action as a matter under your cognizance. You are asked to provide the information requested. In the event you are unable to provide the requested information, or you feel this request should be directed to another department/division, or that a legal opinion is needed regarding releasability of the requested information, return this letter and the enclosure to this office.

2. The Freedom of Information Act (FOIA) requires that requestors be assessed the costs associated with the search for, reviewing (in some instances), and duplication of documents in response to an FOIA request. For this reason, it is requested that the total number of man-hours expended in the research and duplication of this request be provided along with military and civilian grades of personnel involved. Do not include salaries, we will compute compensatory fees for search, review, and duplication, and will collect funds in accordance with existing DoD policy.

3. We have ten working days to respond to the enclosure. Accordingly, please prepare and return the requested information to this office no later than 13 December 1989. If you are unable to provide a response by the above date, you must contact the FOIA Coordinator at 2385, 2218 or 2220 for an extension of time.

4. For your information the following from MCO P5720.56A is furnished: "... A record must exist and be in the possession and control of the Marine Corps at the time of the request. There is no requirement to create or compile a record to satisfy a FOIA request..."
