RE: Marine Corps Base Camp Lejeune NPL Site  
Jacksonville, North Carolina

Dear Mr. Brant:

EPA has reviewed the Draft Final Fiscal Year 1992 Site Management Plan (SMP) for the subject site. The comments provided in my July 27, 1992 letter have all been satisfactorily addressed. This letter constitutes approval of the Draft Final SMP (and the supporting secondary document "Draft Operable Unit Evaluation Report" submitted to EPA in May 1992).

I look forward to receiving the final FY93 SMP. In the future, where all comments have been incorporated, I believe submittal of the "draft" and "final" will be sufficient.

If you have any questions or comments, please call me at (404) 347-3016.

Sincerely,

A handwritten signature in cursive script that reads "Michelle M. Glenn".
