Subject: Submission of the Health and Safety Plan for the SEAR Demonstration

Dear Ms. Yeh:

Please find enclosed two copies of the Health and Safety Plan for Surfactant-Enhanced Aquifer Remediation (SEAR) Demonstration and Post-SEAR PITT at Site 88, Marine Corps Base, Camp Lejeune, North Carolina. Copies of the HASP have been forwarded to all other parties on the distribution list.

The current project schedule is to mobilize to the site for setup of the test system on March 15, 1999 and begin the SEAR demonstration on April 1, 1999.

If you have any questions about the Health and Safety Plan, please call me at 512/425-2037.

Sincerely,

A handwritten signature in black ink, appearing to read 'Fred Holzmer', written over a large, stylized flourish that extends across the signature block.

Fred Holzmer  
Senior Hydrogeologist
