Re: Contract N62470-93-D-3032, Delivery Order 0078, Removal Action  
Building 25, Marine Corps Base, Camp Lejeune, North Carolina

Gentlemen:

Results from the confirmation sampling event conducted on 16 January 1996 have been received. During the weekly production meeting conducted yesterday, OHM proposed further sampling at three (3) points five (5) feet out from the edge of the excavation at two (2) different depths, to which the Government agreed. Pursuant to a discussion with Mr. Lance Laughmiller of LANTDIV, you are to withhold this further sampling action until notice from this office.

If you have any questions, you may contact me at (910) 451-5916.

Sincerely,
