Final RFI Report for SWMU 46

Dear Mr. Jackson:

Baker Environmental, Inc. (Baker) is pleased to submit additional replacement pages for the Final RFI Report for SWMU 46. We overlooked submitting these pages on August 22, 2005. Please replace pages within the Draft version of the RFI with the enclosed pages to make the report final. Additional copies of these replacement pages have been forwarded to Mr. Ken Cobb at the Environmental Quality Branch at MCB, Camp Lejeune (2 copies), Mr. Randy McElveen of the North Carolina Department of Environment and Natural Resources (NC DENR) (2 copies) and Ms. Louise Palmer at CH2M Hill (1 copy). Sorry for any confusion this may have caused.

We appreciate the opportunity to serve NAVFAC Atlantic on this project and apologize for the inconvenience of this extra submission of replacement pages. Should you have any questions regarding this submittal, please contact me at 412-269-2098 (email: jculp@mbakercorp.com) or in my absence, Mr. Rich Bonelli at 412-269-2033.

Sincerely,
