Subject: RE: Draft EECA UXO-14 - EPA's comments

Hey there,

I have just finished reviewing the Draft EECA for UXO-14, Former Indoor Pistol Range and I don't have any comments on the document. As we discussed on the conference call last week, I concur with the proposed plans for this site. Let me know if you need a letter stating this as well but I know you needed the results of the review quickly. Thanks,

Marti
