Introduction

The purpose of this document is to address comments on the Draft UFP-SAP for the Battery Disposal Area Investigation at MRP Site-UXO-22 located at Marine Corps Installations East-Marine Corps Base Camp Lejeune (MCIEAST-MCB CAMLEJ). The North Carolina Department of Natural Resources (NCDENR) provided the comments listed below. The USEPA had no comments. The responses to the comments are provided in bold.

NCDENR Comments (Dated January 29, 2014)

General Comments

There are no general comments.

Specific Comments

1. Please update Worksheet#16 – Project Schedule/Timeline Table, Page 53.

The table has been updated.

2. There are many accredited analytical laboratories in North Carolina. The NC DENR would like to encourage the use of NC analytical laboratories at NC Sites. We appreciate your consideration in this matter.
