The NC Superfund Section has received and reviewed the draft Focused Preliminary Assessment/Site Inspection Report for the D-9 Skeet Range proposed MILCON Area, located at Camp Lejeune, MCB in Jacksonville, NC. The Report is dated April 9, 2010.

The Division of Waste Management concurs with Responses to Comments (RTC) regarding the D-9 Skeet Range Focused PA/SI Report. As noted this report excludes the tributaries to the south and west of the D-9 Skeet Range and the shot fall zone.
