I second Gena's comment. No other comments from me.

Randy-were you planning on commenting? I believe CH2M Hill needs comments by COB today so they can get the Fact Sheets printed in time for the RAB next week.

Subject: [Non-DoD Source] RE: Five-Year Review Factsheet

Good Morning,

Attached is EPA's comment on the Five-Review Fact Sheet as a pdf comment summary. The Fact Sheet looks great and it simplifies a large document into a few easy to read paragraphs.
