RI/FS Scoping Information
MCB Camp Lejeune, North Carolina

Dear Mr. Brant:

Attached are "RI/FS Scoping Summary" fact sheets for your review. These fact sheets have been developed for the upcoming RI/FS scoping meeting on August 5, 1992 in Pittsburgh, Pennsylvania.

The RI/FS Scoping Summaries include information to assist LANTDIV and MCB Camp Lejeune Environmental Management Department personnel with becoming familiar with the background of each site in order to facilitate the August 5 scoping meeting. In addition, the fact sheets include tables and figures reflecting the results of recent sampling and proposed RI/FS field investigations. The data provided on these tables are "preliminary", since the data have not yet been validated.

If you have any questions, please do not hesitate to contact me at (412) 269-2016.

Sincerely,

BAKER ENVIRONMENTAL, INC.
