Re: Contract N62470-89-4814
CTO-0106, Draft RI/FS Project Plans for Operable Unit No. 1 and No. 5,
MCB Camp Lejeune, North Carolina

Dear Mr. Brant:

Enclosed for your review are one set of Draft RI/FS Project Plans for Operable Unit No. 1 (Sites 21, 24, and 78) and one set of RI/FS Project Plans for Operable Unit No. 5 (Sites 2 and 74). The submittal of these Project Plans is in accordance with the expedited schedule for MCB Camp Lejeune.

Each set of Project Plans consists of the RI/FS Work Plan, Sampling and Analysis Plan, and Health and Safety Plan. Copies of these Project Plans have been forwarded to the North Carolina DEHNR, EPA Region IV, MCB Camp Lejeune EMD, and TRC members in accordance with the distribution listed in the Final Implementation Plan/Fee Proposal dated April 30, 1992.

Comments to the Draft RI/FS Project Plans should be received by October 28, 1992, based on the expedited project schedule. However, the Federal Facilities Agreement (and Fiscal Year 1993 Site Management Plan) allows sixty days for this comment period (i.e., November 27, 1992).

If you have any questions, please do not hesitate to contact me at (412) 269-2016.

Sincerely,

BAKER ENVIRONMENTAL, INC.
