Field Investigation Photograph Album

Dear Ms. Saksvig:

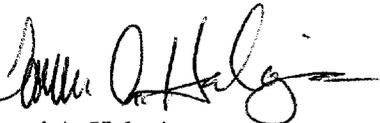

Baker Environmental, Inc. (Baker) is pleased to submit for your files a copy of the Field Investigation Photo Album for Operable Unit (OU) No. 1 - Sites 21, 24, and 78 at Marine Corps Base (MCB), Camp Lejeune. Two copies of this report have been forwarded to Mr. Neal Paul at MCB, Camp Lejeune.

This photo album documents the three site areas and the remedial investigation (RI) field activities that were conducted at OU No. 1 by Baker. No deliverable date was established for this submittal. The task was added to the undefinitized scope of work during negotiations, which occurred after the field work had been completed. Baker prepared this photo album to be similar to the album prepared under CTO-133.

If you have any questions regarding this submittal, please contact me at (412) 269-2023 or Mr. Raymond Wattras (Activity Coordinator) at (412) 269-2016.

Sincerely,

BAKER ENVIRONMENTAL, INC.
