RE: Comment on the Draft Record of Decision - OU#10, Sites 35
MCB Camp Lejeune, NC
NC6170022580
Jacksonville, Onslow County, North Carolina

Dear Mr. Cleland:

The NC Superfund Section has received and reviewed the Draft Record of Decision (ROD) for OU#10, Site 35 at Camp Lejeune, MCB Superfund Site, located in Jacksonville, NC. The NC Superfund Section received the document for review on June 03, 2009.

General Comments:

The NC Superfund Section has no comments on the OU#10, Site 35 Record of Decision and concurs with the decision and associated horizontal well air sparging remedy as discussed in the draft ROD. The new ROD format appears to address the primary technical issues required in a Record of Decision. The NC Superfund Section will defer to the EPA legal review regarding required CERCLA law and NCP requirements as required for the format of the ROD. The State will not be providing a legal review of this ROD. If legal questions arise regarding state law please contact Wallace Finlator with the NC Attorney General's office.
