Re: MCB Camp Lejeune; Responses to EPA Region IV Comments on
the Draft Site Inspections for Sites 44 (Jones Street
Dump), 63 (Verona Loop Dump), and 65 (Engineer Area Dump)

Dear Ms. Glenn:

In our letter of 28 January 1992, we informed you submission of
the referenced responses and Draft Final documents would be
delayed until 18 February 1992.

On 5 February, during our telephone conference call with you,
Mr. Burger (North Carolina Department of Environment, Health, and
Natural Resources), Mr. Paul (MCB Camp Lejeune), and Mr. Wattras
(our RI/FS consultant), we agreed to meet at your offices on 1
March to discuss the referenced SIs and future SIs for MCB Camp
Lejeune. The results of this meeting will determine the nature
of the referenced responses and content of the Draft Final
documents. As such, we plan to submit of the referenced
responses and Draft Final documents on 30 March 1992, 4 weeks
after the meeting date.

If you do not concur with this schedule delay, please contact
Mr. Byron Brant, our Remedial Project Manager for this effort,
at (804) 445-2931.

Sincerely,

A handwritten signature in cursive script that reads "Byron C. Brant" with a small flourish at the end.
