I have not received any comments either.

If there is any sampling or other remedial activity at MCAS Cherry Point within the next couple months, please let me know about it as far ahead of time as possible. The State is allowing my branch to travel for such activity but I need to get the travel request in as soon as possible. thanks.

Team,

The 45-day public comment period ended yesterday. I have not received any comments from the public on the OU14 PRAP.
