Dear Ms. Pierce:

As discussed during the meeting on March 29, 1989, please find enclosed results of groundwater sampling rounds for April, August, and December 1988, taken at Site 10, Marine Corps Air Station, Cherry Point, North Carolina. This data should enhance data already in your possession.

If you have any comments or questions, please contact Mr. George Radford at (919) 466-4598/4599.

Sincerely,
