Dear Lance:

Attached are copies of two revised Work Plans: (1) the Final Work Plan – Site Investigation at Point of Marsh BT-11 (Sites I-32, 86, 87, 88, and 89), and (2) the revised Draft SWMU Assessment Report (SAR) Work Plan for the Formal Naval Hospital Site. Both of these documents incorporate LANTDIV and MCAS Cherry Point comments. Hardcopies of both documents have also been forwarded to Ken Cobb at MCAS Cherry Point. A hardcopy of the Hospital Site Work Plan (only) has been forwarded to Ms. Linda Raynor at the State of North Carolina for review. Finally, electronic versions of the documents in PDF format will be posted to the MCAS Cherry Point website shortly.

Please do not hesitate to call me at 703-471-6405 x4315 if you have any questions.

Thank you for the opportunity to be of service.
