Crane, Indiana 47522-5000

RE: ABG Final Technical Report  
Dye Trace of Beech Creek  
Aquifer  
Naval Weapons Support Center  
Crane, Indiana  
IN5 170 023 498

Dear Commander Hays:

The United States Environmental Protection Agency (U.S. EPA) has reviewed your Final Technical Report, Dye Trace of Beech Creek Aquifer, Ammunition Burning Grounds, Technical Report GL-90-21, for the above referenced facility, dated September 1990, and submitted November 27, 1990. We hereby approve the final report.

The Navy should continue its efforts to define flow in the area through the continuing ground water investigation. If you have any questions regarding this matter, please contact Ms. Carol Witt-Smith of my staff, at (312) 886-6146 for assistance.

Sincerely, ORIGINAL SIGNED BY/  
LISA A. PIERARD
