Re: U.S. EPA/IDEM/NSWC

Dear Mr. Windle:

In coordination and consultation with the Indiana Department of Environmental Management (IDEM) the United States Environmental Protection Agency (U.S. EPA) has developed a work sharing agreement and transition plan for RCRA corrective action activities at the Naval Surface Warfare Center (NSWC) - Crane Division (IN5 170 023 498). All parties have reviewed this document, all comments have been incorporated and it is enclosed for your signature.

Once you have signed, please forward the document to Mr. Jim Hunsicker at NSWC with the request that he return the agreement to U.S. EPA after signature. Mr. Hunsicker's mailing address is:

Mr. Jim Hunsicker, Director
Environmental Protection Department
Naval Surface Warfare Center
EPD, Code 095 B-3260
300 Highway 361
Crane, IN 47522-5001

After all parties have signed, a copy of the document will be provided to the IDEM and NSWC.

If you have any questions regarding this matter, please contact Peter Ramanauskas of my staff at (312) 886-7890.

Sincerely,

Hak Cho, Chief
