Re: Quality Assurance Project Plan  
Approval, SWMU 17/04  
PCB Capacitor Burial/Pole Yard

Dear Mr. Brent:

The United States Environmental Protection Agency (U.S. EPA) and the Indiana Department of Environmental Management (IDEM) RCRA and TSCA programs have reviewed the Quality Assurance Project Plan (QAPP) for Solid Waste Management Unit #17/04 - PCB Capacitor Burial/Pole Yard dated December 2001. All agency comments have been satisfactorily addressed and the QAPP is approved.

The Navy may proceed with implementing this Interim Measure at their discretion. This Interim Measure activity may or may not be sufficient to be considered the final remedy for this site. The Navy will present recommendations for further remedial actions based on the information provided in the Interim Measures Report.

If you have any questions regarding this matter, please contact me at (312) 886-7890.

Sincerely,

Peter Ramanauskas  
Environmental Engineer  
WMB, Corrective Action Section
