C/Tom,

Here is Volume 1 (minus the HASP) of Updated subject document. The attached .zip file reflects what was sent to you yesterday.

10/20/2004

Volume 2, which constitutes just Appendix D, the laboratory SOPs, is nearly 50 Mb in size. Please advise as to whether you would like to have that electronically, as well. If so, I believe we'll have to send multiple e-mails or use the TtNUS ftp site. In anticipation of the latter, I'll have that put on the ftp site.

Regards,
