- 1. The only minor comment we have on the Report is for Table 3-1 and the text in Section 3.2: the IDEM 25-year Commercial Action Level heading should be "Chronic" not "Sub-Chronic".**

Response: Agreed. The referenced text in Table 3-1 and Section 3.2 on Page 3-2 has been corrected to now read "Chronic". In addition, a similar change was made to the last sentence on Page ES-2 of the Executive Summary.
