Linda/Tom,

EPA has no comments on the Draft RFI Addendum dated September 2015. Please send the final version when ready.

Let me know if you have any questions.

Thanks,

Pete

Oops! Hit the sent button before I had finished the email!!!! Sorry!

Any who.Tom will be sending out the addendum to the SWMU16 RFI Report in the next couple of weeks but I want to capture where I think we are.

The draft SWMU16 RFI Report was submitted to USEPA on June 30, 2005. The document was revised in March 2011. On March 15, 2015, Tom sent you the change pages necessary to finalize the March 2011 RFI Report. So I consider the RFI Report complete and will upload it into NIRIS for the administrative record.
