RE: Third Five-Year Review Report
Naval Construction Battalion Center
Davisville, Rhode Island
Navy Response to RIDEM 19 February 2013 Comments
Submitted 13 March 2013, Dated 13 March 2013

Dear Mr. Dale:

The Rhode Island Department of Environmental Management, Office of Waste Management (RIDEM) has reviewed the above referenced document. Responses to RIDEM 19 February 2013 comments are acceptable. It is noted, however, that comment #6 requested that Rhode Island WQS be referenced in Table 2-4. The Navy Agreed to update the Table with the reference. Upon inspection of the revised Table 2-4, a footnote #3 is noted, but there is no description of what this footnote is.

RIDEM looks forward to meeting with the Navy and USEPA to discuss the possible need for PALs for sediment at NCBC Site 07 (Calf Pasture Point). If you have any questions or require additional information please call me at (401) 222-2797 ext. 7138 or email me at richard.gottlieb@dem.ri.gov.

Sincerely,

Richard Gottlieb
