Subject: Transmittal of Final Third Five-Year Review Report
Former Naval Construction Battalion Center Davisville
North Kingstown, Rhode Island

Dear Mr. Dale:

Tetra Tech, Inc. is pleased to provide one electronic copy and one hard copy of the Final Third Five-Year Review Report for the former Naval Construction Battalion Center (NCBC) Davisville in North Kingstown, Rhode Island. This Final Third Five-Year Review Report summarizes the data collected during the long-term monitoring at Sites 07 (Calf Pasture Point) and 09 (Allen Harbor Landfill) and concludes that the remedies for each site are protective of human health and the environment.

This document addresses comments received on the Draft Third Five-Year Review Report that was submitted 12/28/2012. Comments were received from EPA and RIDEM on 02/06/13 and 02/19/13, respectively. The Navy Response to Comments was submitted on March 13, 2013. EPA and RIDEM follow-up comments were received on 03/20/13 and 03/18/13, respectively.

Through copy of this letter, this document is being provided to the recipients listed below. Multiple copies have been provided to USEPA for their internal distribution. An electronic copy is also provided with the hardcopy report. Hard copies of Appendices can be provided upon request.

If you have any questions regarding this material, please do not hesitate to contact me at (412) 921-8608.

Very truly yours,

Scott R. Anderson
