I am forwarding for your use and information the Department of Environmental Protection and Energy's (DEPE) proposed Cleanup Standards. In addition I have enclosed a letter from Assistant Commissioner Miller explaining the DEPE's policy concerning the use of the new standards. I look forward to discussing with you the impact the standards will have on Superfund activities at NWSE. If you have any questions feel free to call me at (609) 633-1455.

Sincerely,
