RE: FMC Corporation Superfund Site

Dear Mr. Hildre:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed Mr. Tim Ruda's letter of September 29, 1997, requesting modifications to the ground water procedure. The letter was submitted pursuant to the Response Order by Consent between FMC Corporation and the MPCA, dated October 28, 1986.

The MPCA staff hereby approves use of the proposed modifications for the October 16, 1997, sampling round only. This method will be further evaluated in the coming months. This letter modifies neither the Quality Assurance Project Plan nor the Sampling Plan.
