Re: 0971255048 -- Lake County
Great Lakes Naval Training Center
Superfund/Technical
Revised Workplan for Excavation of Drainage Piping, and Field Pilot Study for
Bioremediation of Petroleum Contaminated Soil, Review Comments

Dear Mr. Messier;

The Illinois Environmental Protection Agency (the Agency) is in receipt of the above referenced document and accepts this final document as appropriate and complete for the proposed activities described therein. Please notify this Agency of any modifications in these activities at the earliest date that the Agency may provide comments regarding these changes as appropriate.

Please contact me at (217) 524-5953 if I can be of any assistance resolving questions or providing any additional information in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald W. Harrison".
