Dear Ms. Burdo:

This is in reference to recent correspondence regarding your authorization under the existing Department of the Army Nationwide permit number 26 as published in the Federal Register on December 13, 1996. We have reviewed your application, letter, and plans, submitted on your behalf by Beling Consultants, Inc., for the subject project, and have determined that it meets the criteria for the purchase of 3.24 acres of wetland credit into the Wetlands Restoration Fund. Your nationwide authorization will be issued upon submittal of a written confirmation from the Corporation for Open Lands (CorLands) stating that funds for the wetland mitigation work have been provided. CorLands personnel, Mr. Thomas Hahn or Mr. Joe Roth can be contacted at (312) 427-4256, ext. 238 and ext. 241, respectively.

If you have any questions, please contact Mr. Tom Kehoe of the Regulatory Branch, telephone number (312) 353-6428, extension 4036.

Sincerely,
