Great Lakes Naval Station
Superfund/Technical Reports

Dear Mr. Robinson:

The Illinois Environmental Protection Agency (Illinois EPA or Agency) received the Response to Comments for the Quality Assurance Project Plan, Site 7 - RTC Silk Screen Shop and Site 17 - Pettibone Creek and Boat Basin Remedial Investigation and Risk Assessment from Tetra Tech NUS, Inc. It was received at Illinois EPA via electronic mail on July 26, 2001. The Agency has reviewed the responses and grants it's concurrence. Illinois EPA has no further comments regarding the above-mentioned document.

If you have any questions or require additional information, please contact me at (217) 557-8155 or by electronic mail at brian.conrath@epa.state.il.us.

Sincerely,

Brian A. Conrath
