Re: Responses to Illinois EPA Comments
On the Draft Feasibility Study Report
For Site 17, Pettibone Creek and Boat Basin
Naval Station, Great Lakes, Illinois

0971255048 – Lake
Great Lakes Naval Station
Superfund/Technical

Dear Mr. Robinson:

The Illinois Environmental Protection Agency (Illinois EPA or Agency) is in receipt of the Navy's Responses to Illinois EPA Comments on the Draft Feasibility Study, Site 17 Pettibone Creek and Boat Basin at Naval Station, Great Lakes, Illinois. They were sent electronically by Tetra Tech NUS, Inc. and were received on January 19, 2005. The Agency is also in receipt of the additional information provided electronically on April 1, 2005. The Agency has reviewed the Navy's responses along with the more recently submitted information. The responses have been deemed acceptable. Therefore, Illinois EPA has no further comments at this time.

If you have any questions or require additional information, please contact me at (217) 557-8155 or by electronic mail at brian.conrath@epa.state.il.us.

Sincerely,

Brian A. Conrath
