From: Commander, Atlantic Division, Naval Facilities Engineering Command

Subj: NACIP CONFIRMATION STUDY (CS) SCOPES OF WORK; FORWARDING OF

Ref: (a) LANTNAVFACENCOM ltr 5090 1143CFB of 21 Feb 1985

Encl: (1) Proposed Scope of Work for NAVPHIBASE Little Creek, NAS Oceana, and
FCTCLANT Dam Neck

(2) Revised Scope of Work for NSC Norfolk Cheatham Annex, Yorktown Fuel
Division, and NAVWPNSTA Yorktown

1. Reference (a) forwarded PCR's for CSs at NAVPHIBASE Little Creek, NAS
Oceana, FCTCLANT Dam Neck, NSC Cheatham Annex, Yorktown Fuel Division, and
NAVWPNSTA Yorktown.

2. Because of geographical proximity, the CSs will be conducted under two
contracts: one for Peninsula activities and one for Virginia Beach
activities. We anticipate awarding these contracts this fiscal year. Scopes
of work are forwarded for your review per reference (a) as enclosures (1) and
(2).

3. Please return your comments to this Command's, Code 114, by 3 May 1985.
Point of contact is Cherryl Barnett, phone (804) 444-9566, AUTOVON 564-9566.
