From: Commander, Atlantic Division, Naval Facilities Engineering Command
To: Commanding Officer, Naval Amphibious Base, Little Creek (Attn: Ms. Anne Marple, Code N492)
Subj: DEFENSE STATE MEMORANDUM OF AGREEMENT BETWEEN THE VIRGINIA DEPARTMENT OF WASTE MANAGEMENT AND THE DEPARTMENT OF DEFENSE

Encl: (1) Department of Waste Management ltr dated 22 Apr 91

1. Enclosure (1) contains a copy of the Defense State Memorandum of Understanding (DSMOA) between the Virginia Department of Waste Management (VDWM), and the Department of Defense (DOD). This agreement covers reimbursement to the state for the review and oversight of work performed at Naval activities that are funded under the Defense Environmental Restoration Account (DERA). This agreement should assist in expediting the cleanup of hazardous waste sites on DOD installations.

2. The State has appointed Ms. Anne Field as the main point of contact for your base for Installation Restoration (IR) and RCRA corrective action activities. She can be reached at (804) 225-3266.

3. Attachment A of enclosure (1) explains what type of Commonwealth services are available and which services qualify for payment under the agreement.

4. Should you have any question regarding this matter, please contact Mr. Scott Park at 445-4803.
