Dear Mr. Park:

The following summary is presented as documentation of the review and approval process.

- 5/15/09 Transmittal Letter from CH2MHILL- Received draft version (on CD-ROM) of the SMP for review and comment.
- 8/26/09 Email from EPA - Provided comments to Navy on the draft Site Management Plan in pdf format (EPA utilized CH2MHILL's ftp site to post EPA's marked up .pdf file).

All EPA comments contained in a .pdf file posted to the CH2MHILL's ftp site on August 26, 2009 have been adequately addressed (See September 30, 2009 response to comments letter from CH2MHILL to EPA) and are incorporated into the subject document.
