Team,

The responses provided to VDEQ comments adequately address the concerns raised. The redline version of the SWMU 7b Action Memo incorporated the responses where appropriate. Please note, Section VI has a typo in the sentence beginning "Therefore, completion..." as the 2<sup>nd</sup> "with" should probably read "will".

VDEQ will prepare a formal acceptance letter of the Final Action Memo once the signed version is received and reviewed.

Please let me know if you have any questions.
