To Restoration Advisory Board Members:

Naval Amphibious Base (NAB) Little Creek is pleased to announce the availability of the Draft Final Site Management Plan (SMP) for Fiscal Year 1999. The SMP presents a site history, summary of investigations, and the proposed plan of actions for each Installation Restoration Site and active Solid Waste Management Unit. Based upon member's requests, the Draft Final SMP or its Executive Summary is provided as enclosure (1).

All documents are available for review at our four information repositories and at NAB Little Creek. If you have any questions, please contact Kelly Greaser at 462-4571.

Sincerely,

A handwritten signature in black ink, appearing to read "Maureen E. Connors", with a long horizontal flourish extending to the right.
