Team,

Attached is the Draft SWMU 3 Proposed Plan for your review. The figures are currently low resolution to allow for emailing of the file. This will be changed once we produce the document for public distribution. As with the Focused FS we are respectfully asking for a 5 day turn around on comments to facilitate signature of the ROD as soon as possible. Please let me know if this does not fit into your schedules.

Let me know if you have any trouble with the files.

Have a great weekend!
Cecilia
