The Navy Environmental Restoration Program announces a Record of Decision (ROD) for SWMU 3 - Pier 10 Sandblast Yard located at Joint Expeditionary Base (JEB) Little Creek, Virginia Beach, Virginia. The ROD documents the remedial action chosen for the site and the basis for selection of the action. Verbal and written comments received during the public meeting and the 45-day comment period are documented in the Responsiveness Summary, which is provided as part of the ROD. The Navy and the U.S. Environmental Protection Agency signed the ROD with written concurrence from the Virginia Department of Environmental Quality. Final signature on the ROD was received on December 23, 2014.

Copies of the ROD and all documents that formed the basis for the selection of the action for SWMU 3 are available in the Administrative Record file at:
