Final Site Management Plan

Mr. Kowalski,

The Virginia Department of Environmental Quality (VDEQ) staff has reviewed the *Final Site Management Plan* dated November 2015. All VDEQ comments submitted to date have been adequately addressed and incorporated, where appropriate, in the final document. VDEQ inserted the change pages provided during the JEB-Little Creek Partnering Meeting held November 17-18, 2015. An updated CD of the *Final Site Management Plan* was not provided at the meeting. Please send VDEQ a copy of the *Final Site Management Plan* on CD. VDEQ offers no additional comments on this document at this time and considers it to be a final document.

Should you have any questions concerning this letter, please feel free to contact me at (804) 608-4464.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul E. Herman".
