To Restoration Advisory Board Members, Area Civic Leagues,
Interested Citizens, and Environmental Organizations:

The Naval Amphibious Base (NAB) Little Creek announces the next Restoration Advisory Board (RAB) Meeting on Wednesday, June 5, 1996. The meeting will start at 1:00 p.m. and be held in the third floor "Blue Heron" conference room of the Drexler Manor BOQ, Building 3408. Park in front of the building in the BOQ residents' lot. See the enclosed map. From the front door, the stairs and the elevator are to the right. On the third floor, the conference room is across the hall from the elevator, and to the left of the stairs. The topics that will be discussed include the following:

- Site 5 Cable Trench Cleanout
- Supplemental Ecological Assessment for Sites 7 and 12
- Recreational Enhancement plans for Site 7
- Removal Action and the Closeout Report for Site 11
- Closeout Report for Site 16
- Groundwater Monitoring Plan for Sites 5, 9, 10 and 11
- Proposed Remedial Action Plan for Sites 9 and 10
- Relative Risk Ranking of Solid Waste Management Units
- Piers 11-19 Remediation Update
- Tank Cleanup Update
- Planned Supplemental Remedial Investigation and Feasibility Studies Update, Sites 7, 12 and 13
- Relative Risk Ranking, the Federal Budget Process and how it affects DERA (Environmental) Funding

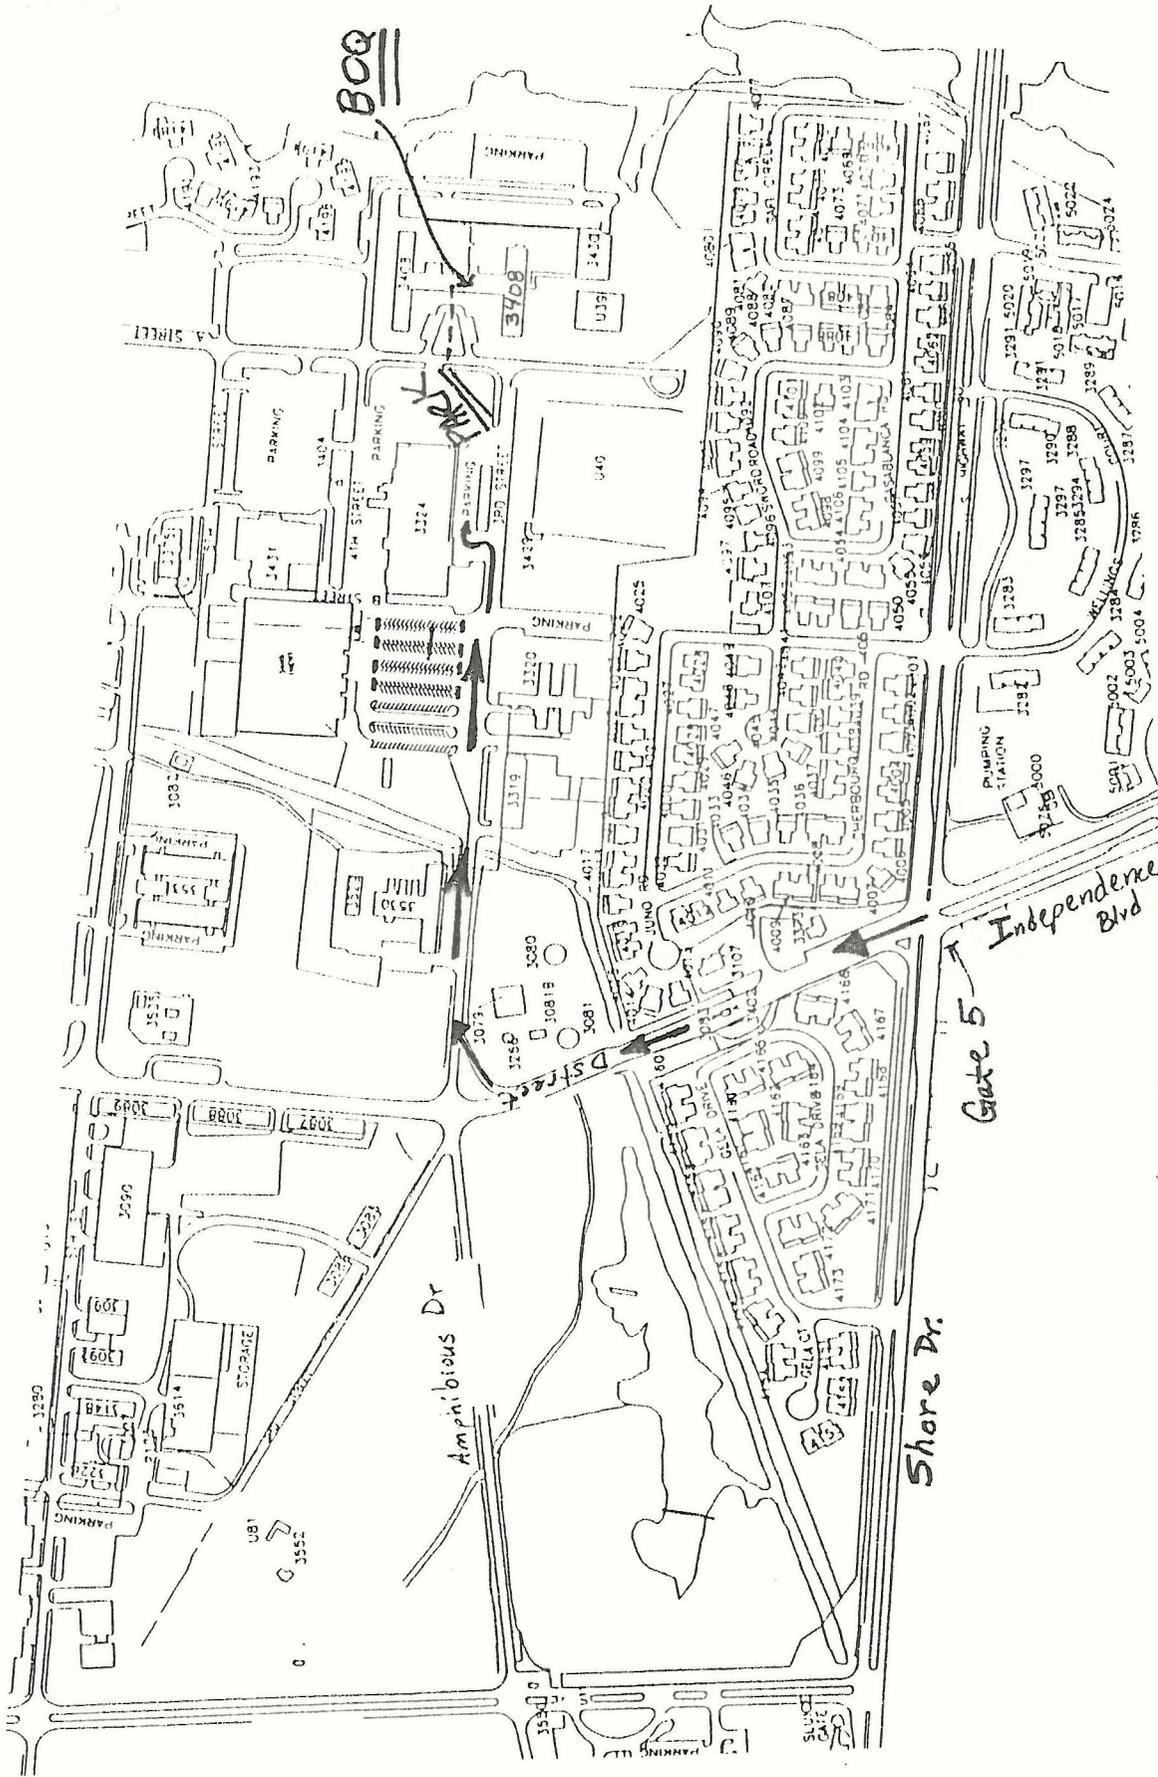

RAB meetings provide an opportunity and forum for a diverse group to discuss any subject related to the environmental restoration program at NAB Little Creek. All RAB meetings are open to the public, and everyone is encouraged to attend. I also encourage you to present your own comments and concerns during the meeting.

If you have any questions about the meeting or about NAB's restoration program, please contact Kelly Greaser at 363-4571. I look forward to meeting with you and keeping the communication lines open.

Sincerely,

JOHN E. O'NEIL, JR.
Captain, U.S. Navy
Commanding Officer
