Philadelphia, Pennsylvania 19107

Re: Draft Final Feasibility Study for Site 7,  
Amphibious Base Landfill, Naval Amphibious Base  
Little Creek, Virginia Beach, Virginia

Dear Mr. Stroud:

The Atlantic Division, Naval Facilities Engineering Command is pleased to submit two copies of the subject document to you for review. The submission is being provided under separate cover by our CLEAN subcontractor, Foster Wheeler Environmental Services. Your comments on this document are requested by March 13, 1997 or sooner to stay within the time frames established in our Joint Goals for fiscal year 1997.

This document is being distributed to Virginia Department of Environmental Quality and all Restoration Advisory Board members requesting a copy. In accordance with the National Contingency Plan, copies will be placed in the Information Repositories for NAB Little Creek.

If you have questions, please contact me at (757) 322-4788.

Sincerely,

S. R. PARK  
Remedial Project Manager  
Installation Restoration Section,  
(North)  
Environmental Programs Branch  
Environmental Division  
By direction of the Commander
