Contract Task Order No. 406

Subject: Transmittal of Draft Final Site Investigation Report  
MRP Site 1, Carr Point, NAVSTA-Newport  
Portsmouth, Rhode Island

Dear Ms. Lombardo, Mr. Kulpa:

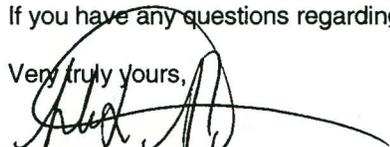

On behalf of Ms. Winoma Johnson, US Navy NAVFAC, I am providing to you enclosed two copies (paper and CD) of the Draft Final Site Investigation Report prepared for MRP Site 1, Carr Point, at Naval Station (NAVSTA) Newport, which is located on Defense Highway in Portsmouth Rhode Island.

This Draft Final has been prepared in accordance with comment responses dated January 8, 2010, resolutions to follow – up comments from USEPA dated January 19, 2010, and additional resolutions reached at the RPM meeting January 20, 2010.

Please be advised that a separate technical memorandum is in preparation to evaluate human health risk to surface soils at the campground portion of this site. New data and a RAGS – D table set for surface soil at this site will be included with that memorandum.

If you have any questions regarding this material, please do not hesitate to contact me.

Very truly yours,

  
Stephen S. Parker, LSP  
Project Manager
