Maritza and Jim-

Since this data was incorporated into the revised Draft FS, any remaining concerns or comments we have on the MNA assessment will be addressed in our comments on the revised Draft FS. As for the 7/13/11 RTCs on the Draft Final SRI, EPA has no follow-up comments. We will incorporate any remaining concerns into our comments on the revised Draft FS. I am planning on issuing EPA's comments on the revised Draft FS later today. Thanks.

Hi Ginny and Pam

You should be receiving the final version of that data report today (let me know if you don't).

Pam – We're working on responses to your 8/3/11 letter on the draft final SRI.

Ginny – Just curious if you are ok with our 7/13/11 responses on the SRI.

thanks
