SUBJECT: MELVILLE NORTH LANDFILL

Dear Mr. McInnis:

I am forwarding the Storm Water General Permit Application for construction activity at Melville North Landfill and the Physical Alteration Permit Application Form for the Railroad Right of Way for your review and signature. Upon completion of your review, please sign and return both permit applications to this office.

The Department of Army permit application and the Access Agreement between Melville Marine Industries and The United States of America will be forwarded for your review by separate correspondence.

Please contact me if you have any questions at (610) 595-0567 ext. 241.

Sincerely,

James Shafer  
Remedial Project Manager  
By direction of the  
Commanding Officer
