Subject: Final Remedial Investigation Report
Site 08, NUSC Disposal Area RI/FS
NAVSTA Newport, Rhode Island

Dear Ms. Lombardo, Mr. Kulpa:

On behalf of Ms. Winoma Johnson (NAVFAC MidLant), attached are replacement pages for the Remedial Investigation Report for Site 08, NUSC Disposal Area at NAVSTA Newport, Rhode Island. With replacement of the changed pages the November 2009 draft final version will become the Final NUSC Disposal Area RI Report (dated January 2010) for the site file and administrative record.

In accordance with the FFA, the Environmental Protection Agency in a December 24, 2009 letter provided conditional concurrence with the Draft Final RI document as amended by the changed pages. In a December 30, 2009 letter the Rhode Island Department of Environmental Protection stated that after reviewing the Draft Final RI Report it is in agreement with proceeding forward with the supplemental RI at the NUSC Disposal Area.

In accordance with previous correspondence three copies of the replacement pages and revised report disc (DVD) are being provided to EPA and two copies are being provided to RIDEM. Please refer to the attached list of change pages for instructions to update your draft final document copies to the Final Site 08, NUSC Disposal Area RI Report.

Should you have any questions or comments please feel free to contact me at 978-474-8412.

Very truly yours,

James R. Forrelli, PE
Project Manager
