NAVAL FACILITIES ENGINEERING COMMAND
BUILDING 77L U.S. NAVAL BASE
PHILADELPHIA, PENNSYLVANIA 19112-5094

IN REPLY REFER TO
23 August 1991

MEMORANDUM

FOR THE TECHNICAL REVIEW COMMITTEE MEMBERS OF THE INSTALLATION RESTORATION PROGRAM
AT THE NAVAL SUBMARINE BASE, GROTON, CT

Subject: REMEDIAL INVESTIGATION REPORT

Enclosed please find a copy of the Remedial Investigation Report (8 sections with appendices A-F), as well as, the Preliminary Remedial Technologies Report. Please review these documents and be prepared to discuss them at the September 19, 1991 TRC meeting. Please submit written comments no later than October 10, 1991.

The next TRC meeting will be held in building 138 at 1 p. m. Please advise no later than September 6, 1991 if you are unable to attend this meeting. I may be reached at 203-449-3853.

Sincerely,

A handwritten signature in cursive script, appearing to read "Adrienne Townsel".

Adrienne Townsel
Restoration Project Manager
