Ms. Adrienne Townsel
Restoration Project Manager
Northern Division
Naval Facilities Engineering Command
Building 77-L, U.S. Naval Base
Philadelphia, PA 19112-5094

Dear Ms. Townsel:

The Site Remediation & Closure Division (SRCD) is requesting an extension of the due date for written comments of the Remedial Investigation Report and the Preliminary Remedial Technologies Report. Comments will be submitted by this office no later than October 25, 1991. This request for a fifteen (15) day extension is in accordance with the State of Connecticut proposal for a sixty (60) day review period of draft documents as proposed during negotiations of the Federal Facilities Agreement.

If you have any questions, please do not hesitate to call Paul Jameson or myself at 203-566-5486.

Sincerely,

Harold Anthony Bobowicz
Engineer
Site Remediation & Closure Division
